King & Prince® Golden Supreme® Shrimp Gives Your Presentation the Golden Touch.

As Perfect As Jewels.

Picture butterfly shrimp layered over your pasta creation. Or accompanied by your signature sauce. Or featured as the star of a hearty, traditional platter with zingy cocktail sauce. No matter the setting, Golden Supreme® Shrimp has the well-crafted appearance, the satisfying crunch, the fresh shrimp flavor and firm texture you've been looking for. So you can deliver consistent quality every time.

Two Styles.

King & Prince® Golden Supreme® Shrimp comes in two beautiful varieties — traditional round and butterflied. Whichever you select, they will arrive at your kitchen — and on the table — in perfect condition. Making it easier than ever to "go for the gold."

Hand selected and hand breaded to deliver consistent size and appearance.

Award-Winning Quality.

In blind taste tests, operators preferred King & Prince for the crispness of our breading and the flavor and texture of our shrimp. It's no surprise to us — we believe superior workmanship yields superior products. We're picky about ingredients, using only the finest bread crumbs on top-quality shrimp. No wonder Golden Supreme Shrimp won three consecutive "Best of Show" awards from the American Tasting Institute. This nationwide panel of chefs recently judged Golden Supreme worthy of their own exacting criteria. So you can be sure you'll be "best of show" where it really counts. In your restaurant.
