EXPLORE THE ENTICING AROMAS
AND ENDLESS OPPORTUNITIES.

LIGHT ROASTS

Signature Blend

A truly luxurious full-flavored experience. This blend highlights the combination of medium body and bright acidity in our signature cup.

MEDIUM ROASTS

Flagship Blend

The full city roast weaves medium body and bright acidity in an invitingly complex combination like no other.

Guatemala Antigua

An exotically rugged excursion into the wild with strong acidity, heavy body and a rich, smoky flavor.

DARK ROASTS

100% Colombian Supremo

The limited nature of the Supremo bean assures only the best Colombian coffee with sweet, well-rounded flavor and medium-full body and acidity.

Espresso

Never subtle, ever sumptuous. This European-style dark roasted blend exploits every last bit of aroma and flavor for full intensity.

Mocha Java

A combination of exotic coffees from Africa and Indonesia that delivers a full-bodied flavor of spiced fruit with earthy undertones.

Vienna Roast

Classic European roast with light acidity and full body evokes the original coffeehouse culture.

French Roast

This exquisitely deep, dark roast indulges the senses with low acidity, full body and a bittersweet, tangy flavor.

Sumatra

A highly prized single varietal that stands apart with low acidity and a full-bodied, lingering flavor experience.

FLAVORED COFFEES

Hazelnut

The decadent smell can draw in any coffee craver, satisfying with the sweet, mild flavor of golden brown hazelnuts.

French Vanilla

Classic French vanilla stirs the senses as the creamy body invigorates the imagination throughout the day.

DECAFFEINATED COFFEES

100% Colombian Decaf

Hand-picked beans are meticulously roasted to deliver mellow body with pleasing acidity . . . a coffee worthy of the name.

French Roast Decaf

The bittersweet flavor strikes a sensual chord as the deep, dark roast creates a full body with low acidity.

Espresso Decaf

Enticing aroma and delicate flavor are woven seamlessly together in a European dark roast without the caffeine.

Many paths lead to perfection. Many cups begin with high expectations. Every blend we offer reflects a destination for coffee. A destination that keeps your customers coming back to Java Coast for more.
